Linda Hostelley, co-founder of Iron Sharpens Iron Ministries is an author, international speaker, teacher, and prophetic artist. She has led deep inner healing seminars and weekend retreats worldwide. She speaks at banquets, nursing homes, churches and has taught adult Christian education. She is a

17-year volunteer as a Christian crisis and deliverance minister for the mid and upper East Coast. In the past, Linda hosted her own radio show, *Keepin' it Real*, on 107.9 FM WRBG, Millsboro, DE. In February 2000, she published her book, *Touched by His Staff*, an anthology of personal family experiences that promises to help those who seek answers and direction for the lives. Linda ministers laughter and healing at Christian gatherings through radio, television, newspapers, in prisons in the United States and internationally in the Caribbean Islands, Central America, Philippines and Germany. Linda and her husband Jim attend Central Worship Center, Laurel, DE.

Bishop Catherine A. Camper is a visionary on divine assignment. In 1978, she founded the United Deliverance Bible Center and accepted her pastoral ministry. Through trials, obstacles and a debilitating illness, she has never once doubted God's call on her life. God honored Bishop Camper's desire to study the Word of God.

She now holds two doctoral degrees from Logos International Bible College in Jacksonville, Florida. She is a gifted teacher, anointed preacher, and dynamic seminarian. Still, she lives a life of servitude and dedication to first her Savior, Jesus Christ, then to her church and family. In 1992, Bishop Camper again stepped out on her ever-increasing faith, and, along with her growing congregation, built the 400+ capacity sanctuary located on West Seventh Street in Laurel, DE.

Many ministries have been birthed out of this great vision, and Bishop Camper is quick to tell anyone that God did it, not her. These ministries include: The Bible Center School and College, where she serves as teacher and Chancellor; the Bible Center Christian Academy, where she serves as Superintendent; and the Victory Fellowship Crusade, where she serves as Establishmentarian and Bishop. Her autobiography, *As God Would Have It*, is a Fruitbearer publication.

Fruitbearer

Conference director Candy Abbott, author of the book that inspired this conference and publishing company of the same name, is a wife, mother, grandmom, and speaker. Candy discovered the power of the Holy Spirit in 1983 and has been encouraging others to draw near to Christ ever since. Called by God to write, her stories appear in numerous anthologies. In her capacity as founder and director of Delmarva Christian Writers' Fellowship and president of Fruitbearer Publishing, she has earned a respected voice in Christian publishing circles. A CLASServices speaker, Candy's inspirational messages are heard throughout Delmarva and beyond. In addition to serving in the Presbyterian Church as an ordained elder and deacon, she co-founded Sisters in Christ, an inter-denominational women's prayer ministry that has been encouraging disciples for more than 20 years.
